AUTOMATION FOR BAKERY

Cross SeaLeMatic

FEATURING THE LATEST SEALING TECHNOLOGY

LeMatic's Cross SeaLeMatic: ***Simplified, Robust, Reliable***

- 1m Seal Width
- Tight Product Transfer
- Reduced Consumables
- Requires Less Maintenance

RETROFITTABLE:

- LS3 • LSU-131
- LS132 • LS133

The Cross SeaLeMatic requires less air pressure, but produces more sealing pressure, this decreases cycle time and enhances machine speed capabilities.
