*Aftermarket*

# Cross SeaLeMatic

*With you for the life of your equipment*  
WHEN AN UPGRADE IS THE SMARTER CHOICE

## Simplified - Robust - Reliable - Fast

The Cross SeaLeMatic uses substantially less energy than any of our previous seal bars. The sealing cycle time is reduced up to 70% which enhances the bulk packer speed capabilities.

- 1m Sealing Width
- Reduced Consumables
- Less Maintenance
- Increased Speed
- Retrofittable\*
- Improved Ultra-Smooth Narrow Transfer Allows for Running Smaller Products

*\*Retrofittable for LS3, LSU-131, LS132, LS133 Models*
